FACTS: In its fourth year, Art Block is a growing community tradition. The signature event is a family-friendly street-festival in downtown Jacksonville to celebrate local arts and culture. It includes a variety of art genres and actively encourages diverse, multicultural participation.

The event kicks off with a 3-day open-air paint-out competition in Jacksonville. Friday Evening, the Art Block Reception will include food, drinks, music and opportunities for networking with a variety of businesses, sponsors and local artists.

Art Block is a community-wide event attended by local businesses, nonprofits, students, artists, and community leaders. Attendees come from military and civilian backgrounds, most bringing children and family to experience interactive art opportunities and to enjoy art exhibits, art sales, vendors and food trucks.

This event is made possible by the Jacksonville-Onslow Council for the Arts with the support of many local artists, the City of Jacksonville, the Jacksonville Tourism Development Authority, a pool of volunteers and the generous support of the community.

Art Block is a free public event organized by Jacksonville-Onslow Council for the Arts, a 501(c)(3) organization.
